

MAINTAIN

11.2 + 9.9 + 9.2

11.2+9.9+9.2

Maintain is a concentrated liquid fertilizer that should be diluted before using. It is for general plant use and is readily available to the roots and foliage, giving quick plant response.

Recommendations For Use

Maintain can be applied as frequently as needed throughout the season.

It is recommended to use **Maintain** with one of **3 Tier's** specific use protocols.

Maintain can be applied alone or as a tank mix with all NBN Turf & Plant products.
